The screenshot shows the iSunshare Product Key Finder application window. The title bar reads "iSunshare Product Key Finder". The menu bar includes "File" and "Help". Below the menu bar are four icons: "Save" (a floppy disk with a green arrow), "Buy Now" (a shopping cart), "Help" (a question mark), and "About" (an information icon). The "Save" icon is circled in red. Below the icons is a paragraph of text: "Product Key Finder is a program to recover product keys (CD Key) for currently installed software, including Windows, Office, Internet Explorer, Visual Studio, SQL Server, Exchange Server, VMWare, Adobe and many more products. It works with any computer, even if the hard disk is crashed. Please click 'Start Recovery' button to recover your product key." Below this text is a table with four columns: "ID", "Product Name", "Product Key", and "Product ID". The table contains four rows of data. The second row, representing Windows 7 Ultimate, is highlighted with a red border. Below the table is a horizontal scrollbar. At the bottom of the window are three buttons: "Start Recovery" (highlighted in blue), "Save To File" (circled in red), and "Exit" (circled in red). The footer text reads: "iSunshare Product Key Finder Trial, Version 2.1.20. Copyright(C) 2008-2013 iSunshare."
